February 17, 2017

A class action lawsuit filed by Steven Badger, a partner in the Dallas office of Zelle, was the recent focus of a *Dallas Morning News* article titled “Worst roofing scheme in Dallas-Fort Worth takes homeowners’ insurance, doesn’t deliver new roofs.”

The class action lawsuit was brought on behalf of almost 100 North Texas homeowners who have turned over at least \$400,000 in hail damage claim insurance proceeds to roofing contractor Jorge Garcia and other principals of House of Tomorrow and its predecessor, Lambcorp. Badger’s lawsuit seeks to recover these amounts on behalf of the homeowners.
