July 8, 2022

Zelle partners Qianwei Fu, Jennifer Duncan Hackett, James Robertson Martin, Christopher Micheletti, and Judith Zahid were named among the 2022 Lawdragon "500 Leading Plaintiff Financial Lawyers."

According to Lawdragon, Lawdragon “500 Leading Plaintiff Financial Lawyers,” first published in 2007, presents a curated look at the best of the U.S. plaintiff bar who specialize in representing individual investors and shareholders, as well as businesses and other organizations harmed by corporate misconduct or other failures. These lawyers represent plaintiffs in securities and other business litigation, antitrust, whistleblower claims and increasingly complex financial litigation and data privacy invasions. The 500 lawyers selected bring their cases as individual matters as well as in class actions that are increasingly going global.
