Dan's practice is focused on property insurance, liability insurance, reinsurance and financial services litigation. He has worked with a number of the world's largest insurers defending coverage actions related to major claims involving property damage, construction/builder's risk issues, business interruption, contingent time element and bad faith claims. He has represented insurers in connection with claims and litigation arising from catastrophic events, including the 9/11 terrorist attack, multiple U.S. Hurricanes, the 2011 Japan Earthquake and Tsunami, the 2011 Thailand Flood, and the Covid-19 Pandemic. He has also acted as lead counsel in financial services litigation defending against multi-million dollar claims, including class action claims.
