(he/him/his)

Jos represents insurance companies in complex first- and third-party claims. He advises on coverage in property, business interruption, and liability claims, with a focus on energy losses, and handles disputes in the U.S., many countries in Latin America, and Spain. Jos also acts as coverage and monitoring counsel for U.S. casualty claims, mainly in the oil and gas sector. He is an English solicitor and a licensed attorney in California and Spain, and has written and presented on many insurance coverage issues.

REPRESENTATIVE MATTERS**First-Party Claims**

Acting for insurers in several losses at windfarms in Mexico

Represented insurers in business interruption (BI) claim at hydroelectric plant in Chile

Advising insurers on several losses at power plants in Ecuador

Representing reinsurer in delay in start-up (DSU) claim at refinery in Peru

Acted for insurers in construction loss at solar plant in Mexico

Liability Claims

Representing insurers in many claims for accidents at oil and gas facilities in Texas and Louisiana

Advising insurers on coverage for oil spill off the Peruvian coast

Acting as monitoring counsel for excess insurers in several large casualty claims in the U.S.
