BAR AND COURT ADMISSIONS

- State Court: Texas
- U.S. Court of Appeals: Fifth and Federal Circuits
- U.S. District Court: Northern, Southern, Eastern and Western Districts of Texas

Brett handles complex coverage and extracontractual matters for several major insurance companies focused on property insurance, liability insurance, and reinsurance. He represents clients throughout the United States on some of their most important matters including the World Trade Center disaster, multiple U.S. Hurricanes and the Covid-19 Pandemic. His insurance coverage practice covers a wide range of topics including complex business interruption, contingent time element and commercial general liability issues.

REPRESENTATIVE MATTERS

Obtained a complete defense verdict in a jury trial on behalf of a commercial property insurance carrier related to the Covid-19 Pandemic.

Successfully resolved claims in excess of $450 million following the World Trade Center disaster.

Defended numerous property insurance carriers against claims arising out of Hurricanes Katrina, Rita, Ike, Harvey, Laura and Delta.

Litigated hundreds of weather-related claims including hail, wind and freeze claims.

Successfully defended bad faith claims against a liability insurance company following a drunk driving accident that resulted in the death of a minor child.

Providing general liability insurance coverage advice and litigation services to domestic insurers.

Represented numerous property and liability insurance companies in lawsuits across the United States over his career.
