David Field

Legal Technology Project Manager

500 Washington Avenue South
Suite 4000
Minneapolis, MN 55415
TEL: (612) 336-9119
FAX: (612) 336-9100
dfield@zellelaw.com

PRACTICE AREAS

- eDiscovery

As a Legal Technology Project Manager, David works side-by-side with the firm's attorneys to manage the legal technology team workflow. He is a certified forensic examiner, and has worked on complex collection and litigation projects all over the country, including serving as an expert witness. With over a decade of experience in the eDiscovery realm, he analyzes case needs and recommends document review workflows as well as providing daily support to end users of the legal technology team's review system.

CERTIFICATIONS

- Access Data Certified Examiner (ACE)
- Certified Computer Examiner (CCE)
