David Field

Legal Technology Project Manager

(612) 336-9119

dfield@zellelaw.com

David is a certified forensic examiner, and has worked on complex collection and litigation projects all over the country, including serving as an expert witness. With over a decade of experience in the eDiscovery realm, he analyzes case needs and recommends document review workflows as well as providing daily support to end users of the legal technology team's review system.

Sean Khang

Senior Analyst - Legal Technology Group

(612) 359-4230

skhang@zellelaw.com

Sean has a technology background in Information Management Systems. He works with the LTG Team in continuing and improving the tradition of delivering excellent services to the firm's attorneys and clients. Even with 15 years of experience in the eDiscovery industry, Sean remains thirsty for knowledge due to the ever evolving nature of the eDiscovery industry.

Leanne Olson

Director - Legal Technology Group

(612) 359-4226

lolson@zellelaw.com

As Director - Legal Technology Group, Leanne works side-by-side with the firm's attorneys to manage the legal technology team workflow. She is a Certified eDiscovery Specialist (CEDS) and she also provides trial support. She analyzes case needs and recommends document review workflows as well as provides daily support to end users of the legal technology team's review system. She has over 20 years of experience in eDiscovery, Practice

Support and Litigation Support.

Chai Xiong

Hosted Services Manager

(612) 336-9141

cxiong@zellelaw.com

Chai has a deep technology background with expertise in SQL and .NET development. He provides technical guidance for the firm as well as performing daily document management, including data analyzing, processing, and loading into the review platform. He works to streamline processes and increase efficiency. He has over 12 years of experience as a support specialist.
