ZELLE LLP

Hail Claims . . . What The Hail Is Going On?

Hail is a hot topic in the property insurance market, with countless lawsuits involving hail damage being filed across the states where hail events are common. Zelle is leading the property insurance industrys response to this emerging risk exposure, not only in working in the trenches with their clients in handling the claims and resulting lawsuits, but also in working to address the underlying issues giving rise to these claims through legislative action and policy wording changes. Click here to learn more about Zelles work in this area.

Zelle LLP What the Hail? Conference

The What the Hail? Conference, held biennially is a two-day event covering hail, wind, Texas freeze claims, and all other hot topics in the Texas first-party insurance claims process. The next conference will take place on February 12-13, 2026 in Dallas, TX. More information can be found here.
