

The Legal 500 Ranks Zelle Hofmann Among Top Antitrust Firms for the Third Consecutive Year

June 1, 2011

For the third consecutive year, The Legal 500, the world's largest legal referral guide, has ranked Zelle Hofmann as one of the top plaintiffs' antitrust/class action firms in the United States.

The Legal 500 specifically recognizes Zelle Hofmann's appointment as liaison counsel and a member of the Plaintiffs' Executive Committee in a class action seeking injunctive relief and damages, brought by indirect purchasers of DRAM (dynamic random access memory) computer hardware, and the firm's representation of a class of indirect purchasers of LCD products as the court-appointed co-lead counsel in *In re TFT-LCD (Flat Panel) Antitrust Litigation*, in which plaintiffs allege that leading manufacturers of these products (such as flat-screen TVs) conspired to artificially inflate prices.
