August 14, 2013

Zelle Hofmann has been recognized as a Leading Firm for Litigation in *Benchmark Plaintiff's* 2013 edition of *The Definitive Guide to America's Leading Litigation Firms and Attorneys*.

Five Zelle Hofmann litigation practice areas were among the select group chosen for a national ranking: General Commercial, Securities, Antitrust, Intellectual Property and Class Action.

In Minnesota, Zelle Hofmann's plaintiff litigation practice ranked "Highly Recommended," the highest ranking given.

The guide notes the prominence of Zelle Hofmann capitalizing "on its geographic diversity and all-around expertise as it litigates antitrust and insurance matters as well as complex general commercial disputes."

Benchmark is the only publication on the market to focus exclusively on litigation in the U.S. The guide's results are the culmination of a six-month research period that allows their researchers to conduct extensive interviews with litigators and their clients. During these interviews they examine recent casework handled by the firms and ask sources to offer their professional opinions on litigators practicing within their state or national practice areas.
