October 16, 2013

Zelle Hofmann has been recognized as a Leading Firm for Litigation in *Benchmark Plaintiff's* 2014 edition of *The Definitive Guide to America's Leading Litigation Firms and Attorneys*.

Five Zelle Hofmann litigation practice areas were among the select group chosen for a national ranking: General Commercial, Securities, Antitrust, Intellectual Property and Class Action.

Zelle Hofmann's plaintiff litigation practice ranked "Highly Recommended," the highest ranking given.

The guide notes of the firm that "steady peer plaudits from both sides of the "V" propel this Benchmark Plaintiff mainstay into the main edition of the 2014 edition of *Benchmark Litigation*."

Benchmark Litigation identifies the leading US trial attorneys and firms at the local and national levels. Focused exclusively on the US litigation market, the publication's rankings and editorials are the result of extensive interviews with private practice lawyers and in-house counsel. Supplementary firm information is also submitted in the form of a questionnaire. The guide's "local litigation stars" reflect lawyers who are recommended by peers and clients to have established consistent reputations as trial attorneys, while "future stars" are those litigators who are highlighted as likely to become "local litigation stars" in coming editions. *Benchmark's* independent research is conducted annually between February and June.
