

Zelle Hofmann Hosts “Texas Hail Claims – What The Hail™ Is Going On?” Seminar

March 12, 2014

On March 6, 2014, Zelle Hofmann hosted an all-day seminar at the Hyatt Regency Reunion in Dallas titled, “*Texas Hail Claims – What The Hail™ Is Going On?*” The live event and webinar, which was attended by more than 250 insurance industry professionals, focused on all issues commonly arising in this emerging claims area, including:

- identification of hail versus other damage
- what is "physical loss or damage"?
- testing procedures
- establishing cost of repair/replacement
- code upgrade issues
- determining date of loss/pre-existing damage
- unauthorized practice of public adjusting
- the appraisal process
- avoiding common traps, tricks, and pitfalls
- identification of fraud
- recommended best practices
- significant legal issues/new cases
- subrogation

Zelle Hofmann Dallas attorneys Steven Badger, Brian Odom, Todd Tippet and Lindsey Bruning presented at the seminar, along with Jim Koontz of Jim D. Koontz & Associates, Stephen Patterson of ROOFTECH, Brett Lochridge of Unified Building Sciences, and Marco DeLeon of Nelson Forensics & Consulting.

After the seminar, attendees attended a cocktail reception on the top of

Reunion Tower.
