September 19, 2016

20 people from the Minneapolis office of Zelle recently sponsored and volunteered at a “Pack at the Park – Target Field” event for Feed My Starving Children. The Zelle team worked together to pack meals comprising vitamins, vegetables, soy and rice to benefit the lives of starving children in the Dominican Republic. Over the course of a few hours, the Zelle team and other volunteers packed 369 boxes of food containing 79,704 pouches—enough to feed 218 children for a year.
