

Steven Badger Quoted in *SE Texas Record* Regarding State Farm Defeat of Storm Lawsuit

October 4, 2016

Steven Badger, a partner in the Dallas office of Zelle, was quoted in an article titled “State Farm racks up 13th win in a row, defeats another storm suit at trial” that was published on the *Southeast Texas Record* website.

In the article, Badger, who closely follows the mass litigation issue on behalf of the insurance industry, says there is an “obvious clear lesson” to be learned from the 13 straight wins. “Trial lawyers [are] misleading homeowners into pursuing meritless lawsuits based on inflated estimates prepared by their fake experts, with the expectation that they can extort a small settlement.”
