

Steven Badger Quoted in SE Texas Record Regarding Suspension of Hailstorm Attorney

November 22, 2016

Steven Badger, a partner in the Dallas office of Zelle, was quoted in an article titled "Hailstorm attorney suspended for one year for misconduct, expert says enforcement efforts still not slowing down 'bad actors'" that was published on the *Southeast Texas Record* website.

In the article, Badger is quoted regarding hailstorm attorney Kent Livesay agreeing to a one-year suspension for demanding damages from an insurance company on behalf of a client he did not represent – the latest enforcement effort that doesn't seem to be slowing down, according to Badger, the "bad actors" soliciting storm cases. Badger also discusses "other investigations, both by administrative and criminal agencies, looking into similar conduct by lawyers and their case running public adjusters and contractors."
