

Steven Badger Profiled in Dallas Morning News Regarding Efforts to Pass TX Bill on Roofer Crimes

March 24, 2017

Steven Badger, a partner in the Dallas office of Zelle, was profiled in a *Dallas Morning News* article titled “Dallas lawyer’s lonely quest in Austin for state control over roofer crimes.”

The article covers Badger's voluntary efforts to get a roofers' bill passed by the Texas Legislature. It details Badger walking "the halls of the Texas Capitol in a volunteer job that, like hail, seemed to fall out of the sky. He wants to stop crooked roofers. The only way to do it is to leave his Dallas law office, knock on doors of state legislators and beg for a roofers' law."
