

## **Zelle Honored as Champion of Justice by Texas Access to Justice Commission**

October 29, 2020

The Texas Access to Justice Commission has announced the winning law firms in its annual Access to Justice (ATJ) Campaign, and Zelle LLP is, once again, being recognized as a Champion of Justice Law Firm.

The Texas Access to Justice Commission holds an annual Champion of Justice Firm Competition, during which Texas law firms encourage individual lawyers within their firms to contribute financially to the campaign. Winning firms are selected in two categories: the highest overall contribution and the percentage of contributing attorneys within the firm.

Zelle LLP was a 2020 winner of the Highest Percentages of Attorney Participation in the “Small Size” law firm category.

The Texas Access to Justice Commission serves as the statewide umbrella organization for all efforts to expand access and reduce barriers to justice in civil legal matters for the poor.
