

Jane Warring to serve as Co-Chair of the 2025 NetDiligence Cyber Risk Summit in Philadelphia

October 6, 2025

Jane Warring, partner in Zelle's Atlanta office, will serve as Co-Chair of the 2025 NetDiligence Cyber Risk Summit in Philadelphia, taking place October 6–8, 2025.

Jane focuses her practice on coverage and litigation work under cyber risk, first-party property, builders risk, event cancellation, and energy outage policies, specializing in complex business interruption and bad faith claims. Jane is an experienced litigator with active cases in state and federal courts from coast to coast. She prides herself on diligent and tailored representation of her clients, and believes the key to a successful defense is in the details. She leads the firm's Cyber Risk and Losses group and is a frequent speaker at cyber insurance conferences.

The NetDiligence Cyber Risk Summit features three days of workshops and panel discussions by leading cyber experts who share their insights on hot topics, trends, and cybersecurity concerns. Connect with leaders in cyber risk and privacy liability and learn from their experiences on current and emerging concerns in the ever-changing cyber landscape.
